# RAISED PANEL

Add depth to your garage door with C.H.I.'s raised panel design, available in both short and long panel options. The raised panels start with a recessed edge, but the interior surface of each panel is brought slightly forward, adding just a hint of definition to a classic garage door design.

## GARAGE DOOR STYLES

Short Panel

Long Panel

**Short Raised Panel, Model 2241** shown in white with optional stockton window inserts.

**Long Raised Panel, Model 4216** shown in evergreen with optional cascade window inserts.

## APPEARANCE PACKAGE

All hardware, including struts and track, is powder coated, creating a complete garage door system that is functional and creates a lasting impression.

## C.H.I. COLOR MATCHING

Our in-house powder coating provides 100's of color options and can add another layer of protection from the outside elements. Custom Sherwin-Williams paint formulas are also available to allow you to match your home's trim or siding with your C.H.I. door.

## WIND LOAD

These garage doors are designed, tested, and built to the most rugged specifications. Available sizes and options will vary between models. Ask your local C.H.I. Dealer about our full line of windload rated doors.

Learn more at [chiohd.com/wind-load](http://chiohd.com/wind-load)

## LIFETIME PACKAGE

Extend your lifetime warranty to the entire door with the Lifetime Package. This option provides upgraded hardware and springs and lifetime coverage for as long as you own your home.

Short Raised Panel, Model 2216 shown in sandstone.

C.H.I. DEALERS

# A BETTER BUYING EXPERIENCE

We sell all of our doors exclusively through independent, professional door installers – never a box store.

We partner with the best in the business to uphold the highest standards of quality and integrity. Personalized service, expert product knowledge, and experienced installation professionals are just a few reasons why C.H.I. Overhead Doors trusts only garage door professionals to sell and install our products.
